STATE OF MICHIGAN
STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

MORE LIBERAL METHODS OF TREATING RESOURCES UNDER SECTION
1902(r)(2) OF THE ACT.

For groups covered under sections 1902(a)(10)(A)(ii)(c), 1902(a)(10)(C)(i)(III) and
1905(p):

• Resource exemptions are:

- Clothing, household goods and personal effects regardless of value.
- One automobile regardless of how it is used or its value.
- Payment received for the planned repair or replacement of property which was lost, stolen, damaged or destroyed. No time limit is imposed.
- Unsalable property is not a countable resource. The property is unsalable when either: a) two knowledgeable sources state the property is unsalable due to a specified condition, or b) an actual sale attempt is made and no reasonable offer to purchase has been received. Conditional eligibility and repayment agreements are not required.
- Resource eligibility exists for an entire calendar month if countable resources are equal to or less than the resource standard at any time during that calendar month.

For AFDC-related individuals, 1902(a)(10)(A)(ii)(c), 1902(9)(10)(c)(i)(III):

- Disregard all resources.
